

## Metropolis Newsletter # 13

### Campus News

The Metropolis Project launched its website. We are still improving the content and happy to hear your thoughts on how it can be made better.

Also let us know if you would like to be listed as affiliated faculty.

## Metropolis Project

#### [The Metropolis Project at Princeton University](http://metro.princeton.edu)

The Metropolis Project advances urban technological innovations that make cities more sustainable, resilient, livable and equitable.
